the State of South Carolina. ) CHANGE

This matter comes before the Public Service Commission of South Carolina (the "Commission") on the Petition of United Telecom of America, Inc. ("UTA") for Commission approval for UTA to change its name on its Certificate of Public Convenience and Necessity from UTA to USN Communications Long Distance, Inc. ("USN").

The Commission granted to UTA its Certificate in this Docket under Order No. 96-410 (June 26, 1996). According to its Application, the Company recently changed its corporate name to USN Communications Long Distance, Inc. This Commission is not aware that the change of name involves change in ownership of the Company or the business practices and services of the Company.

The Commission has examined this matter and believes that the relief sought by UTA should be granted. Therefore, UTA's name on its Certificate of Public Convenience and Necessity shall be changed to "USN Communications Long Distance, Inc."
